

Kaurilands School
Te Kura Ōkaurirahi

Dear Whānau

Hero is our school's student management system. Through this website and App you will be able to read any school emails and communication. Throughout the year we will also be updating learning information for your child.

Hero provides the ability for parents to receive messages through the app, rather than being an email service. To view community notices, you can simply log into the Hero app and stay up to date with all school communication.

If you have other children at school you will not need to create a new account. You should be able to view all of your children's information through the same account.

You can download the Hero App in your App or Google Play Store. You can also login using a web browser by following this link <https://hero.linc-ed.com/parents>.

How to access your child's HERO page?

If you set up an account earlier in the year, please use your login and password you set up then. Otherwise, please follow the instructions below.

Step 1:

Visit: <https://hero.linc-ed.com/parents> or Download the Hero App.

You will be directed to our Hero site and the log-in box will appear on the screen (see below). Select the 'New User' box at the bottom of the page.

The screenshot shows the login interface for the Hero system. At the top center is the Hero logo. Below it is an 'Email' input field. Underneath is a 'Password' input field with a red error message: 'Password must be between 8-50 characters'. A blue 'SIGN IN' button is centered below the password field. At the bottom of the form, there are two links: 'FORGOT PASSWORD' on the left and 'NEW USER' on the right. At the very bottom, there is a checkbox labeled 'This is a public device'.

Step 2:

You will be directed to enter your email address. Please enter the email address that you registered with us at your child's enrolment.

Step 3:

Follow the instructions to sign into your Hero account.

If you have any problems please email erinn@kaurilands.school.nz.

Ngā mihi

Erin Namajuska
