

Senior School Cross Country

Thursday 22nd March

Dear Parents/ Caregivers

Kaurilands Senior Cross Country is taking place on Tuesday the 27th of March (save day Thursday 29th of March). All Year 4-6 children will be participating at this event. All races start and finish on the school field.

Races will begin with the 8 year olds at approximately **9.15**, followed by the 9, and 10+ year age group races.

All children will be competing and parents/caregivers are most welcome to watch.

If your child is asthmatic they will need their inhaler with them. It is important that every child has a drink of water for after their race. The children know the course so it is up to them whether they want to wear shoes or not.

The Inter School Cross Country is on the 10th of April and we will be using our School Cross Country to help us select the team going. **If your child places in a race, it does not automatically mean they are in the Inter School Cross Country team as we need to take into account children that are absent on the day.** Children will be selected for the team based on time rather than placement.

Thank you
