Year 4 MOTAT Trips

Dear Parents,

As part of our Term 2 Inquiry the Year 4 classes will be visiting the Museum of Transport and Technology.

We will be taking part in an education programme called 'Invent-a-Machine'. Students will be challenged to think creatively as they design, construct and test their own Rube Goldberg machine using combinations of levers, pulleys, gears, inclined planes, wheels & axles and screws made from everyday materials.

The cost of the trip is \$14, which will be taken from your child's prepaid activity fee.

We will be visiting MOTAT over two days.

Thursday 17 May: Kim Williams - Ruma Tekau (Ahi Kaa) Steph Martin - Ruma Kakariki (Room 16) Rebecca Barrett - Half of Ruma Kowhai	Friday 18 May: Linda Heckler - Room 8a Jo Woods - Half of Ruma Kowhai
---	--

NB Ruma Kowhai: The highlighted day indicates the trip your child will be attending.

Children will need comfortable walking shoes, a raincoat, a packed lunch and a water bottle.

Each class will need at least four parent helpers to assist with supervising the children on the trip. Please return the slip below if you are able to help.

Thank you,
Year 4 Teachers.

Parent Helpers: Please return this slip to the class teacher

I _____ am able to accompany Room _____ on their trip to MOTAT on Thursday 17 May/Friday 18 May.

Signed _____ Child's Name: _____
